

Riverside Partners Teams with Management to Acquire IZI Medical Products

April 2009 – Boston, MA

Riverside Partners, based in Boston, MA, is pleased to announce that it has partnered with management to recapitalize IZI Medical Products ("IZI" or the "Company").

Founded in 1991, IZI is a provider of high quality medical markers used in Image Guided Surgery ("IGS"), radiology and radiation therapy procedures. IZI's products range from fiducial markers, used with MRI, CT, and PET technologies, to highly engineered passive reflective markers used during complex IGS procedures. The Company's medical markers are highly versatile and cross functional and can be used across a broad range of medical specialties including radiation therapy, radiology, orthopedics, and ear, nose, and throat procedures. IZI is headquartered in Baltimore, MD.

"As a family-owned business, IZI cared deeply about finding the right partner to help the Company accelerate its growth. Riverside Partners understood the nuances of our business and is already acting as a trusted partner," said Helen Zinreich Shafer, CEO of IZI Medical Products.

"Riverside is thrilled to partner with the founders of IZI," said Philip Borden, General Partner at Riverside. "IZI's focus on innovative medical markers fits perfectly with Riverside's healthcare and technology experience. We are highly enthusiastic about continuing to support IZI's strong existing management team and its multiple avenues for future growth."

About IZI Medical Products

Founded in 1991, IZI Medical Products is a provider of high quality medical markers used in radiation, radiation therapy, and image guided surgery procedures. Headquartered in Baltimore, MD, IZI's products range from fiducial markers used with MRI, CT, and PET technologies to highly engineered passive reflective markers used during image guided surgery.
